Dear Friends in Christ,

RE: ANGLICANS ABLAZE CONFERENCE – 5 to 8 October 2016

Warm greetings in the name of our Lord Jesus Christ! This letter seeks to confirm that

will be attending the **Anglicans Ablaze International Conference** to be held at Bishops Diocesan College, Rondebosch, Cape Town, from **5 - 8 October 2016**.

Growing the Church, in partnership with various organisations and ministries within the Anglican Church of Southern Africa, will host the 2016 conference. We are expecting more than 1500 people from within and without our Province.

'**Vulindlela - Open the Way**' is our conference theme. Let's open the way for our young people, to discipleship, social justice, spiritual renewal, mission, evangelism and much more!

The Anglican Church of Southern Africa seeks to be:

- **Anchored in the love of Christ**
- **Committed to God's Mission and**
- **Transformed by the Holy Spirit**

It is our desire to help encourage, equip and commission attendees to return to their parishes to engage in Christian service. We are inviting people to attend the conference in teams, if possible. Some attendees link up with local churches in our Province to engage in mission for several days following the conference. Isn't that exciting? Archbishop Thabo Makgoba is excited too and has given the conference and the following mission engagement his full support!

I am writing on behalf of _____ to ask you to **please** consider helping him / her with a donation to raise the conference registration costs of R _____ as well as the travelling / accommodation costs of R _____. **Total = R _____**. You can rest assured that this money will be well invested – to serve you and others.

Thank you in advance for your generosity. May our Lord bless and prosper you in return.

In the love of Christ,

*+Martin: St Mark
the Evangelist*
